

FOR IMMEDIATE RELEASE

MMEX Resources Corp. now listed on OTCQB Venture Market Exchange

FORT STOCKTON, TEXAS – November 07, 2017 – [MMEX Resources Corp. \(OTCQB: MMEX\)](#), a development-stage company focusing on the acquisition, development and financing of oil, gas, refining and infrastructure projects in Texas and South America, today announced its shares are now listed on the OTCQB Venture Market. The Company is currently developing its crude oil refinery project near Fort Stockton, Pecos County Texas, including the 10,000 Bbl per day Phase 1 crude distillation unit.

MMEX CEO Jack W. Hanks states “ We are pleased to add the inclusion of our company listing on the OTCQB as yet another project milestone we have achieved since March of this year. This is yet another significant step, as we have now completed the acquisition of our site location in Pecos County, Texas, prepared the initial engineering and design specs for the 10,000 BPD crude distillation unit, obtained our first phase refinery permit from the Texas Commission on Environmental Quality, obtained the easements to access markets and announced the ground breaking in Pecos County on November 17. With this latest achievement, we are now listed on the OTCQB and can provide greater transparency and governance for our shareholders. “

The OTCQB Venture Market is designed for early stage and developing U.S. and international companies. To qualify, companies must be current in their SEC reporting, undergo an annual verification and management certification process and have a 30-day closing share price of \$0.01 or greater. Included with the OTCQB designation is Real-Time Level 2 Quote Display and weekly OTC Market Reports summarizing the activity in MMEX shares.
