NOTICE OF ACTION TAKEN WITHOUT A SHAREHOLDER MEETING

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.
No action is required by you. This Information Statement is furnished only to inform our shareholders of the actions described herein in accordance with Rule 14c-2 promulgated under the Securities Act of 1934.

**THIS IS NOT A NOTICE OF A MEETING OF SHAREHOLDERS AND NO SHAREHOLDERS' MEETING
WILL BE HELD TO CONSIDER ANY MATTER DESCRIBED HEREIN.**

To the Shareholders of MMEX Resources Corporation:

The attached Information Statement is being delivered by MMEX Resources Corporation (the "Company" or "MMEX") in connection with the approval by our shareholders of an amendment to our Amended and Restated Articles of Incorporation to effect a 1 for 100 reverse split of our common stock (the "Reverse Split"). The text of the proposed amendment is set forth as Annex A to this Information Statement.

This Information Statement is being mailed to the shareholders of record as of September 25, 2018. The Information Statement is first being mailed to shareholders on or about September 26, 2018. We anticipate that the amendment to our Amended and Restated Articles of Incorporation will become effective on or after October 19, 2018. Each of these actions was approved by the majority of the shareholders of MMEX by a written consent to action taken without a meeting dated September 26, 2018.

QUESTIONS AND ANSWERS REGARDING THE INFORMATION STATEMENT

What is the purpose of the Information Statement?

Section 78.320 of the Nevada Revised Statutes ("NRS") provides that the written consent of the holders of outstanding shares of voting capital stock having not less than the minimum number of votes which would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted can approve an action in lieu of conducting a special shareholders' meeting convened for the specific purpose of such action.

This Information Statement is being furnished to you pursuant to Section 14C of the Securities Exchange Act of 1934 ("Exchange Act") to notify our shareholders of certain corporate actions taken by the holders of shares of voting securities representing approximately 87.6% of the voting power of the total issued and outstanding shares of voting common stock of the Company (the "Majority Holders") pursuant to action by written consent. In order to eliminate the costs and management time involved in obtaining proxies and in order to effect the Reverse Split as early as possible to accomplish the purposes hereafter described, our board of directors elected to seek the written consent of the Majority Holders to reduce the costs and implement the Reverse Split in a timely manner.

What capital stock is authorized and outstanding?

We are authorized to issue 12,010,000,000 shares of capital stock, which consists of 12,000,000,000 shares of common stock, \$0.001 par value per share, and 10,000,000 shares of preferred stock, \$0.001 par value. Of the 12,000,000,000 shares of authorized common stock, 10,000,000,000 are designated as Class A common stock, and 2,000,000,000 shares are designated as Class B common stock. All shares of common stock of MMEX are designated as Class A common stock, except that the 1,500,000,000 shares issued by the Company to Maple Resources or its affiliates in connection with the acquisition of the Company's refinery project in March 2017 were designated as Class B common stock. As of September 10, 2018, there were 2,602,022,596 and 1,500,000 shares of Class B common stock outstanding, respectively; and no shares of preferred stock were outstanding. See "Securities Ownership of Certain Beneficial Owners and Management" herein. The Reverse Split would have caused a reduction in outstanding shares on such date to be 260,202,260 shares of Class A common stock and 150,000,000 shares of Class B common stock.

The Majority Holders consist of The Maple Gas Corporation, Maple Resources Corporation, Maple Structure Holdings, LLC, BNL Family Trust and AAM Investments, LLC. The Majority Holders own 100% of our outstanding Class B common stock and approximately 16.7% of our outstanding Class A common stock, which results in their ownership of approximately 87.6% of the voting power of our common stock. The Majority Holders have voted in favor of the Reverse Split thereby satisfying the requirement under the NRS that at least a majority of the voting equity vote in favor of a corporate action by written consent. Therefore, no other shareholder consents will be obtained in connection with this Information Statement.

What are the differences between Class A and Class B common stock?

The holder of each share of Class A common stock is entitled to one vote for each such share as determined on the record date for the vote or consent of shareholders and votes together with the holders of Class B common stock as a single class upon any items submitted to a vote of shareholders, except with respect to matters requiring a separate series or class vote. The holder of each share of Class B common stock is entitled to ten votes for each such share as determined on the record date for the vote or consent of shareholders and votes together with the holders of Class A common stock as a single class upon any items submitted to a vote of shareholders, except with respect to matters requiring a separate series or class vote. Except for such voting rights, the rights of the holders of Class A common stock and Class B common stock are identical.

The Class B common stock have a conversion feature whereby each share of Class B common stock will be automatically converted into one share of Class A common stock upon the earlier of (i) the surrender to the Company by the holder thereof of such share of Class B common stock for voluntary conversion or (ii) the transfer or sale of such share of Class B common stock to any person other than Maple Resources Corporation, Jack W. Hanks, BNL Family Trust or one of their respective affiliates.

Who is entitled to notice?

Each outstanding share of Class A common stock as of record on September 25, 2018 is entitled to notice of the action taken pursuant to the written consent of the Majority Holders.

What is the purpose of the Reverse Split?

Our Class A common stock was removed from listing on the OTCQB marketplace on April 10, 2018, because the bid price of our Class A common stock had closed below \$0.01 for more than 30 consecutive calendar days and no longer met the Standards for Continued Eligibility for OTCQB. We are pursuing the Reverse Split in order to meet these standards and likely pursue a re-listing of our Class A common stock on the OTCQB marketplace.

When will the Reverse Split Become Effective?

The Reverse Split will become effective upon the date that is 20 days following the mailing of this Information Statement. At such time, the board of directors shall have the Company's Certificate of Amendment to the Amended and Restated Articles of Incorporation filed with the State of Nevada in order to effect the Reverse Split.

Are there dissenter's rights in connection with the Reverse Split?

MMEX shareholders have no right under Nevada corporate law, the Company's Amended and Restated Articles of Incorporation consistent with above, or Bylaws to dissent from any of the provisions of the Reverse Split.

Are there federal income tax consequences arising from the Reverse Split?

We believe that the Reverse Split will have no federal income tax effects. We will not recognize gain or loss as a result of the Reverse Split. However, we have not sought and will not seek an opinion of counsel or a ruling from the Internal Revenue Service regarding the federal income tax consequences of the Reverse Split.

Pursuant to the rules and regulations of the SEC, shares of common stock that an individual or group has a right to acquire within 60 days pursuant to the exercise of options or warrants are deemed to be outstanding for the purposes of computing the percentage ownership of such individual or group, but are not deemed to be outstanding for the purposes of computing the percentage ownership of any other person shown in the table.

Shares of common stock subject to options and warrants that are exercisable within 60 days of September 10, 2018, are deemed beneficially owned by the person holding such options for the purposes of calculating the percentage of ownership of such person but are not treated as outstanding for the purpose of computing the percentage of any other person.
